

North Sydney Courthouse

Heritage Listed Restoration

About This Project

The courthouse in North Sydney was in desperate need of an upgrade. ProjectPlus completed external works on the heritage building completing an entire external repaint.

The Challenge:

**COMPLETING AN EXTERNAL REPAINT WHILE
CAUSING MINIMAL DISRUPTION TO THE
COURTHOUSE AND PEDESTRIANS.**

Our team completed this restoration in the middle of busy North Sydney, focusing on restoring the flaking paint and dirty exterior walls. With a brand new fresh coat of paint the building is looking as good as new.
